Dear brothers and sisters,

## FROM FR. DANIEL

The reality of the resurrection continues to come to us in many ways, and for this, the Lord wants us to listen today to the moving story of his apparition at the shore of the sea, after a fruitless night of fishing. We can feel in these words the sorrow and emptiness of the disciples, their vanishing hope, the kindness of the Lord.

In a carefully prepared setting, Jesus touches the memories that were perhaps buried under the grief of the previous days. The empty nets and hearts, the miraculous catch, the intuitive certainty that it was Jesus, that He was alive. And then, next to a charcoal fire similar to the one that witnessed Peter's denial, Jesus asks about love and offers reconciliation. Peter is not the same as before: he won't make impossible promises, he will simply say: you know everything, you know that I love you. That's all Jesus needed: love heals what fear wounded, and Peter is confirmed in his friendship with Jesus, and the mission to guide the nascent Church.

May we approach the charcoal fire and listen to Jesus asking the question we need to answer. May we answer with love.

With my prayers,

Fr. Daniel

# A Culture of Encounter at Holy Name

## May Challenge: Connect with a Distant Family Member

*"Family communion can only be preserved and perfected through a great spirit of sacrifice. It requires, in fact, a ready and generous openness of each and all to understanding, to forbearance, to pardon, to reconciliation"*

-St. John Paul II

We are each given the gift, and called to the challenge, of especially close community with those in our families.

We build a culture of encounter when we lovingly seek to stay in close community with those in our families despite physical distance and past challenges.

### Suggestions

1. Call a family member who you haven't spoken to recently.
2. Offer forgiveness to a family member or pray for the grace and desire to forgive.
3. Pray for your family member who is hardest to love and ask God to help you see their good qualities.

## CHARITABLE OPPORTUNITIES

### ST. VINCENT DE PAUL SOCIETY AT HOLY NAME

#### *Serving our Neighbors in Need*

We want to help you get to know more about our SVDP conference and their efforts by featuring a story from one of our neighbors in need each month.

#### **A SVDP Story: *Staying Ahead of Rising Costs***

In their mid-40s, and their two children grown, Earl and his wife left Indiana and headed for a new life in Colorado 20 years ago. He worked in construction, also as a commercial painter, and had some experience as a truck driver. His wife died in 2018. A few years ago, he had a left shoulder total joint replacement, which pretty much took him out of the work force. He's been receiving a Social Security Disability Insurance benefit of \$1,540/mo for about a year. His rent is very modest – \$900 – but as the cost of food, utilities, car insurance and phone has been increasing, he's unable to make ends meet, much less cover the car repair that he needed last month. The landlord is worried that Earl will become a "problem tenant" – and Earl knows he is on thin ice. He believes he can work as a truck driver, and that may be the only way he can stay where he's lived for 13 years. We helped him with payment of April rent – and we pray that he will find work that he can do to stay afloat. We also provided an application for the Wait List at All Saints Apartments where he would qualify for a unit at \$733/mo, including utilities.

### BABY SHOWER MINISTRY

#### *Celebrating the Dignity of Women Choosing Life*

We are partnering with Marisol Health's Baby Shower program for their expectant mothers. These mothers are in crisis situations and have chosen life.

### OUR MAY MOTHER'S STORY

Mary Beth\* and her husband chose to welcome the news of their 5th pregnancy with joy and acceptance. As a mother of a special needs child, Mary Beth is already busy with the daily demands of her 4 children, but she considers it a privilege to be a stay-home mom. When she was chosen to be Holy Name's June baby shower recipient, she responded with humility and gratitude like the sole leper who returned to Jesus to thank Him for his miraculous healing.

"My last baby was a boy and I do not have any baby girl clothes. Thank you very much, I really appreciate it especially during this time that everything is so expensive and paying rent and other bills is not easy when only my husband is the only one working! I want to say thank you to all the parishioners and God bless you!!"

Thank you in advance for your support. You are lifting the burden from the backs of a young family which is trying so hard to make ends meet and honor God by prioritizing family over the temporary comforts of this world.

\*Name changed for anonymity
