Place your bottle donations back in the designated basket by the 1st weekend in June. Thank you in advance for your support.

Dear friends,

**FROM FR. DANIEL**

The joy of Easter comes to us only because Jesus embraced the passion and Cross. In fact, it was right after Judas left Jesus and the other apostles as he went to betray Jesus that the Lord announced that *now* He was going to be glorified. That does not sound right: in that moment, He was going to be betrayed and then suffer and die. But Jesus understood that the Cross was his glory, because in that moment everything was given to the Father, and love reached its end.

This is important for us, first because of the love that we receive from the Cross. But also because that love becomes our vocation. And so the Lord says: *love one another as I have loved you*. So important is this commandment that He makes is the core of our testimony: *This is how all will know that you are my disciples, if you have love for one another*. So, let us love one another, with real and sincere love, with sacrificial and unselfish love, so that the world can believe in the power of the Cross.

With my prayers,

Fr. Daniel
